

Ms. Morris' Class

Strategies we used for:

Hoppers

Be careful where you hop.

- Steven
(Think before you hop!)
- Pablo

Keep the frogs near each other.

- Pablo

Watch out... no frogs in a row!

- Karan

Think ahead... two jumps ahead

- Emmanuel

Find new ways to solve it.

- Mahour

Think how one move will effect another.

(Think in your head.)
- Gabi

Keep frogs out of the corner.

- Steve

Keep frogs in the middle.

- Theresa

Gridworks

Be careful to follow the ~~color~~ clues carefully.

When you are done, check your work carefully

before going to the next grid.

- Mahour

Be a good observer - use your eyes.

- Nema

Do all the ones you are sure about first

- Mahour

Think about shape clues.

- Khoi

Think about what's missing too.

- Joong Kyu

Find 2 clues with matching shape.

- Megan

Take it step by step

- John

Ms. Morris' Class

5th

Universal Strategies

Start with the easy ones, or start with what you know. Steven

Work at a level that's "just right." Scar

Think before you act. Hye Yeong

Work carefully. Euny

Check your work. Hye Su

Think about specific strategies that work with each situation (use what you know; use what you've learned). Scar

Use clues when you need them (look for them.) Megan

Be a good observer. Use your eyes  Habbar

Look for new strategies. Scar

Strategies we used for:Safari Rush Hour

- Keep going and going until you figure it out.
- worked on getting the animals away from the front of the jeep.
- worked with a partner.
- plan what you're going to do before you do it (plan ahead)

Shape by Shape

- use the hints behind the card.
- turn the shapes around to see if fit.
- turn shapes over.
- use the hints to check.

Mrs. Boeses class

1st gr.
